

G2E 2010

For 10 years, tens of thousands of gaming executives from around the globe attend the must-see event of the year—G2E 2010—to gain the information and insights needed to succeed in gaming’s fiercely competitive marketplace.

This year, G2E celebrates 10 successful years and invites you to join us where you will see the largest show floor in gaming filled with exhibitors not found anywhere else showcasing hundreds of new products and offering exclusive show specials.

Organized by the American Gaming Association (AGA) and Reed Exhibitions, G2E made its debut in fall 2001, defining itself as the pre-eminent show for the gaming-entertainment industry.

You will learn about the latest trends and walk away with practical solutions that will immediately impact your business during world-class education programs including G2E Advanced Gaming Institute, G2E Leadership Academy, Security & Surveillance Institute at G2E, and the Three-Day Conference.

You will benefit from a 360-degree of the industry with dedicated events of F&B at G2E and the Entertainment Arena at G2E—which highlight non-gaming amenities. Plus, you will experience unmatched networking opportunities, keynote addresses, G2E’s one-of-a-kind Casino Property Tours, and all of Las Vegas!

G2E 2010 will be held Nov. 16-18 at the Las Vegas Convention Center.
