CASINO BAD WIESSEE INAUGURATED IN GERMANY

The story of Casino Bad Wiessee is a story of success. Opened on 4 June 1957 in the former Café Bauer, the huge gatherings of visitors and the increasing importance of Bad Wiessee as a spa, brought operators to the decision to enlarge the Casino only 10 years later. Construction on the new building began in summer 1967 and finalised in March 1969. The modern-rustic building is located on the shore of Lake Tegern, in the midst of incredible scenery. One year after completion of the new building, attendance by increased up to 30%. Bad Wiessee is delightfully located at an altitude of 735 metres, on the western shores

Casino Bad Wiessee

Austrian Gaming Industries GmbH (AGI) supplied the Casino with a substantial order of its broad product range.

The new games and slots delivered to Bad Wiessee range from very popular games like "Book of Ra™", "Riches of India™", "Roller Coaster™", "Queen of Hearts™", "Dolphin's Pearl™", "Bananas go Bahamas™", "Columbus™", "Knight's Quest™" and "Venetian Carnival™" to the favoured "Multi-Gaminator™"-machine, on

which Casino guests can choose between 10 different games on one machine without having to seek another free slot machine. A major attraction for the guests of the new Casino is the new Multi-Roulette™-system, which includes 16 stand-alone Slant Tops as well as a Multi-Keno™-system, where up to 6 players can try

of Lake Tegern, with a total area of around nine square kilometres; this lake is six kilometres long and about one and a half kilometres wide.

The town, with 4400 inhabitants, has been welcoming visitors to its mineral baths since 1922 and is famous throughout Germany for its highly concentrated iodine-sulphur springs.

The new Casino Bad Wiessee, in Upper Baviera, opened its doors on 5 June 2005 on the "Winner-Hof" premises.

Important personalities from political, business and social life filled the Casino to full capacity.

Josef Müller, CEO of Bayerische Spielbanken is very happy about the new era of the Casino, "After 2 years of construction work we are now looking forward to the future with a mixture of anticipation and great delight. The new Casino is really eye catching and offers our guests the highest playing enjoyment. With the new video games and Multi-player systems from AGI we are able not only to continue our tradition of establishing with quality products and outstanding service, but also enhance it. Instead of 50 slots, our guests can now choose between 215 state-of-the-art slots"

The Casino has 200 slots and several table games: 2 American Roulette, 2 Blackjack and 9 French Roulette.

their luck at the same time in this popular Bingo-game. Roulette fans can also double their fortune on the new Multi-Wheel Roulette™-machines, which allow players to play on up to 10 different Roulette wheels spun simultaneously. Jens Halle, managing director of AGI, said: "We congratulate Bad Wiessee on the fantastic new building and are very proud to support the Casino with such a huge number of gaming machines. We are convinced that the new games together with the wonderful atmosphere of the Casino on the edge of Lake Tegern will guarantee a constant high number of guests".
