novelties, both in slots and multi-player games, and in the equipment sector. The traditional Grand Gaming Gala was also an important part of the fair, gathering practically the entire sector for the award of the SAGSE prizes and the "As de Oro" prizes awarded by Casinos de Latinoamérica, as well as the cycle of conferences organised by Yogonet and the poker tournament sponsored by TCSJohnHuxley-Copag. According to Giorgio Gennari, Chairman of Monografie, the most outstanding aspect of the fair was "The great diversity of the participants, which was really interesting, and the fact that the exhibitors invested so much in preparing their stands. Finally, I would also like to praise the quality and professionalism of the public, which, once again, went far beyond all our expectations".
